Cambridge International School

Welcome

Dear Parent,

Thank you for considering Stepping Stones School as your preferred child development partner. Stepping Stones is a Cambridge International School founded in 2013 by my late sister Sajida Jivraj (1982-2019) - a mother and experienced early childhood educator - with a mission to offer families a challenging, holistic, and wholesome education that does not compromise on our values.

When you join our community, you will realize that positive and warm relationships lie at the heart of everything we do, and that students are treated as the unique individuals that they are. Not only do we place a special emphasis on understanding them and creating individual learning paths for them, we also strongly believe that - as our name suggests - that the best metric for success is the child's gradual and sustainable progress over the course of their lives.

This Admissions Packet contains important information you will need to apply for admission. It includes our Age & Class Chart, Fee Structure and Payment Plans.

When you are ready, please complete the Application Form on our website. Our team will be more than happy to walk you through the admissions process.

If you have any questions, please feel free to contact us by phone on (+255) 689 320 232 or by email office@steppingstones.ac.tz and we will be happy to assist you.

We look forward to welcoming you to our community.

Warm regards,

Zainab Jivraj
Director
